HONOR THY MOTHER

WE ALL HAVE ONE. MAYBE WE ARE ONE. MAYBE WE'RE MARRIED TO ONE.

"A Royal Mother's Day Tea Party and Dinner Selection fit for a Queen"

"Honor Thy Mother" is an event designed exclusively to give mothers the royal treatment they deserve this Mother's Day. The atmosphere of elegance with music of all times, a bit of gospel, jazz and classical sounds will set the mood for mothers to leave their cares and work behind. This time of honor is designed as a rejuvenating spa for the soul, where mothers can relax and enjoy the company of family and friends.

A Royal Stroll through the beautiful flower garden will add another touch of leisure to the afternoon. Wetting the taste buds of mothers with the aroma of combined sweet and savory dishes is two (2) carving stations, shrimp fettuccine, crab cakes, fish, shrimp and more. The endless chocolate fountain and fruits are sure to add sweetness to the hour. Wait! There is more, Mothers will be inspired with a dramatic reading of the Mother's Day proclamations that are sure to melt their heart.

*To show our love and appreciation for mothers,
Class Act Entertainment will present each mother with a special gift.*
